PROFESSIONAL SUMMARY

I am a versatile Web developer with extensive knowledge and experience in Front End development. I create mobile responsive and user-friendly WordPress websites. I am also skilled in HTML, CSS, JS and React.JS frequently applying on-site customization. I work with the most current functionalities and responsive design trends to ensure sites are up to date with the latest Web trends.

WORK EXPERIENCE

Junior Front End Engineer

05/2024 to Present

Freelance

Remote

Developed and Launched an E-commerce Website:

- Successfully designed, developed, and launched a fully functional e-commerce website for a small business. Implemented features such as product listings, shopping cart, and secure checkout, resulting in a 30% increase in sales for the client.

Implemented a Responsive Redesign:

- Redesigned an outdated website to be fully responsive, ensuring compatibility across all devices and screen sizes. The new design improved user experience, leading to a 40% increase in mobile traffic and a 25% increase in overall user satisfaction.

Front End Engineer Intern

01/2024 to 04/2024

Kawigraphics Studios

Nairobi

Developed Interactive Landing Pages:

- Successfully designed and implemented interactive landing pages for various clients, resulting in increased engagement and lead generation. One project led to a 40% increase in client inquiries.

Optimized Website Performance:

- Improved the performance and loading speed of existing client websites by optimizing images, minifying code, and leveraging browser caching. This resulted in a 35% reduction in page load time and enhanced user satisfaction.

Contributed to a Major Rebranding Project:

- Played a key role in a major rebranding project for a high-profile client, developing new web components and ensuring a seamless transition to the new brand identity. The project received positive feedback and significantly boosted the client's online presence.

Property Manager

09/2021 to 01/2023

Brooklyn International

Ruiru

Improved Tenant Retention:

- Developed a tenant engagement program that improved tenant retention rates by 15%, fostering a strong community atmosphere.

Increased Occupancy Rates:

- Successfully implemented a targeted marketing campaign that increased occupancy rates by 20% within six months.

Reduced Maintenance Costs:

- Introduced a preventive maintenance schedule that reduced emergency repair costs by 25% annually.

Volunteer Administrative Assistant

01/2018 to 06/2018

Stretchers Youth Organization

Mombasa

Enhanced Customer Service:

- Developed a new protocol for handling inquiries that improved response times and increased customer satisfaction ratings by 15%.

Streamlined Office Processes:

- Implemented new filing and organizational systems that improved document retrieval times by 30%.

Event Coordination Success:

- Played a key role in coordinating a major fundraising event that raised 100k for the organization, exceeding the target goal by 20%.
